

Booking Breakfast Club Weekly Sessions v2025-2026

If you have not done so already, please register your child using this form

<https://forms.office.com/e/iSbaiyZsZ2>

Once pupils are registered they will be added onto the Breakfast Club list in Parent Pay. This is a manual process and so will take place during the school day.

When this has been done you will see Breakfast Club under the Pay for other items section.

Click Pay for other items to see Breakfast Club listed.

Click the **View** button. Then click **Book meals and places**.

Now change the dropdown from lunch time to Breakfast as per the image on the right.

Please note that the cut off for booking breakfast club on ParentPay is the same as for booking school lunches. This is Wednesday evening of the week prior.

It is important to have pupils pre-booked as we generate the register on a Thursday morning ready for the following Monday. This is used to order food for the number of children expected to attend.
